Bingo Captain Notes from Pete, Rocco, and Kris

Happy Easter! Reminder that there is **NO** Bingo during Holy Week (April 2nd).

During the month of April, we will be reminding everyone about our bingo schedule changes from May to September. This is due to the Parish Center renovations that will begin on May 4th. Bingo will be moved to the Education Building which means you will park in a different parking area of St. Jerome. We will be providing you (via email and in hard copy) with information on the room schematic, where to park, bingo calendar, and other useful information. We've worked hard with the St. Jerome staff to ensure bingo continues during the renovations.

Some of the changes include having to sit closer to your fellow players. The Education Building is not as large as the Parish Center so we can only use long tables vice the round ones we currently use. We have to maximize the space so while sitting side by side is not as convenient, it allows us to optimize the space we have. Your patience and understanding during this time would be appreciated.

April is a special month for us all. It is the month the Knights of Columbus started conducting bingo at St. Jerome. So, this is our 4-year anniversary! To help celebrate, on April 30th, we will provide free hot dogs, soda, and chips to all players. Our new partners at Oak Manor will be joining us in providing this free meal to you. Additionally, we will be giving out free bingo games and other goodies. This will be the final bingo session in the Parish Center until after the renovations are complete. We hope you can make it and help us celebrate.

Miscellaneous

- The Knights of Columbus Breakfast will be on Sunday, April 19th, in the Parish Center after the 7:30, 9, and 10:45 Masses. As always it is by donation only. We serve scrambled eggs, pancakes, and bacon, along with coffee, tea, orange juice and milk. Please consider joining us – it is always great to see our bingo family outside of bingo.
- Please note: This will be LAST Knights Breakfast until October. We cannot conduct this breakfast without the use of the Parish Center kitchen.
