

16 Keys to Walking in the spirit

One:

To receive revelation you must first become meek.

Two:

Stand fast on what you have received. God will not tell you a second time until you obey what he has already told you.

Three:

Speaking in Tongues daily (it alerts you to receive Revelation).

Four:

Study the Word much. What you can know by the five senses God expects you to know.

Five:

Travel Light.

Six:

Action precedes results. Believing without works is not believing.

Seven:

Wait until "Green Light" Revelation.

Eight:

Do not tell all you know. Receive the Word of Wisdom.

Nine:

It may be essential to put unbelievers (or unbelief) out of the room.

Ten:

Inspired action and inspired utterance may be essential.

Eleven:

Do not be deceived by the five senses.

Twelve:

Do not argue with God.

Thirteen:

Revelation once given may change. (God may change the revelation after the circumstances change.)

Fourteen:

Revelation given twice is established.

Fifteen:

Watch and be ready. Revelation may come at the most likely or unlikely places and times.

Sixteen:

When you stumble, pick yourself up. Walking involves a learning process.
