Maui Jim 

Maui Jim Brand

Maui Jim got its start in 1987 as a small company selling sunglasses on the beach in Lahaina, Hawaii. Inspired by the beauty and culture of Maui, our mission is to spread aloha through vivid color, clarity, and detail. Seeing a need in the market for technology that could combat intense glare and harmful UV while bringing the brilliant colors of the island to life, we engineered the revolutionary PolarizedPlus2® lens. We now offer over 125 styles of sunglasses, all of which are polarized and protect from 100% of UVA and UVB rays.

POLARIZEDPLUS2® LENS TECHNOLOGY

- Maui Jim's patented technology enhances color, improves clarity and increases detail like no other lens in the market
- Every Maui Jim Sunglass is polarized and eliminates 99.9% of glare.
- Maui Jim lenses block 100% of all harmful UV rays, protecting your eyes and the skin around the eyes from damage and long-term health risks.
- Maui Jim lenses enhance natural light instead of dimming, delivering exceptional color and clarity. You see vibrant saturated colors with a higher level of contrast and depth perception.
- Our patented PolarizedPlus2® technology and various lens colors are designed to enhance your view in every daylight condition.
