PHILOS-SOPHIA INITIATIVE 2018 Branding

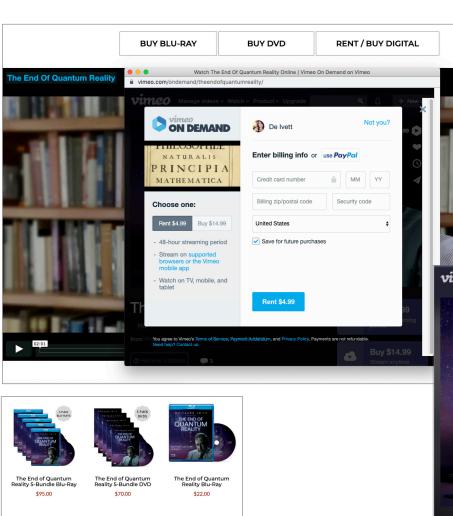

5D Spectrum was engaged by the Philos-Sophia Initiative Foundation to create a brand identity for the non-profit organization. The new logo was brought to life with a subtle animation for the hero image of the website landing page. The website features large visually stunning images and bold headlines. The blog was designed to hold a high volume of content with the ability to feature significant articles and commentary. The DonorBox platform was integrated for easy donation management.
