DIRECT FROM THE DIRECTOR

November is a Time of Giving Thanks and Preparing for the Cold Weather

I know that this time of year is difficult for many people. There's isolation, the loss of loved ones can make the holidays feel blah, and the thought of icy driveways can make people feel like hermits in their own homes. That's where the Keene Senior Center comes into play...on those days when you are cold and lonely or unsure what you want to do....come to the center. We have a hot cup of coffee, cocoa, or tea waiting for you with a little snack. You can visit with others or relax, read, listen to music, play pool, take up a new hobby, or exercise class. Is there something you want to try like Mahjong or another activity?

We are working on bringing in new programs. If you have any ideas, please email me, Leola, or Sharon (our new Marketing Specialist). If you haven't been here for a while or to our Marlboro St. location, consider stopping by.

This fall we will also be preparing for our Autumn Fundraising Appeal. Like all agencies, we face increasing costs of operating the Keene Senior Center, everything from phone service, food prices, rent, and other overhead costs.

We strive to provide as many classes as possible while keeping the membership cost of \$6.25 a month (\$75 a year) low.

We treasure our members and we sincerely hope that you will be able to join us for our November events including our Friday, Nov. 8th luncheon to honor our military veterans.

We have the Keene Chamber Orchestra Quintet concert on the 7th, Trivia lunch on the 14th, a pie social on the 21st, Medicare Open Enrollment on the 22nd, a program for grandparents taking care of their grandchildren on the 7th, Holiday Faire on the 30th, and more.

Check out the calendar or call if you need more details.

Keene Chamber Orchestra Concert at KSC

**1:00 - 2:30 pm Thursday,
November 7, 2024**

"Known as "One of New Hampshire's cultural delights!", the Keene Chamber Orchestra rehearses regularly at KSC.

We are pleased to say the KCO Woodwind Quintet: David Flemming, Flute; Jodie Hoyer, Oboe; Cora Dykens, Clarinet; Joy Flemming, Bassoon and David Miller, Horn; will be playing a festive selection of music on the first Thursday of November at KSC.

Their mission is: "Striving to deliver live performances of orchestral and chamber music repertoire with the highest possible artistic and technical excellence, thus sharing the joy and charisma music inspires across human divides."

This is a concert not to be missed.

Healthy Starts at HCS Kinship Navigator for Caregivers Seminar at KCS

3:00 - 4:00 pm, Thursday,
November 7, 2024

There are many children throughout the region who are being cared for by someone other than their biological caregivers and the number of “kinship caregivers” is increasing every year. Grandparents, family members, and friends are stepping into this role to provide safe and nurturing homes for their young family members.

Kinship caregivers play a crucial role in the well-being of children and often face significant challenges taking on their newfound responsibilities.

Kinship Care is a program of Healthy Starts at HCS, partnering with families to help navigate the world of child rearing. The Healthy Starts program is available for all families in southwestern New Hampshire. More information is available at HCSservices.org/services.

If you are a senior caregiver, learn more about what resources Healthy Starts Kinship Navigator Program can offer you.
