Dredging Progress Timeline

August 2022

The Indian Lake Advocacy Group met with Jon Cross and Ryan Wheeler from the dredging company to evaluate their capabilities, tools, and experience. We determined that the Jergens Company could provide significantly more resources than ODNR currently has available.

September 2023

Met with Director Mary Mertz, Assistant Director Mindy Bankey, Steve Harvey, and several other ODNR administrators, along with Jon Cross, Ryan Wheeler, Tim Hart, and Bud Christman. The discussion focused on securing funding, introducing the dredging company, and exploring potential tools. We reviewed a variety of new options to advance dredging efforts. We inquired whether ODNR would support us in obtaining funds and collaborating with the company to overcome obstacles. We learned that the dredging company could acquire land to provide sites for dredged material placement, addressing one of the major challenges ODNR has faced in implementing a dredging plan. The meeting concluded with approval to move forward and explore potential solutions.

The Indian Lake Advocacy Group spent a day at the State House and met with the following working on the State Dredging Program:
 Don Jones - Chairman of the Natural Resources Committee;
 Monica Robb Blasdel - Vice Chairman of the Natural Resources Committee;
 State Reps: Angela King, Tim Barhorst, Ty Mathews, Jeff LaRe and Kevin Miller

November 2024

Met with Assistant Director Mindy Bankey and a large group of ODNR administrators. Announced the receipt of \$5 million in funding and began working with the dredging company to explore options for maintaining state operations. Discussions included clearing out the Dredge Material Relocation Areas (DMRAs) and identifying new locations for material placement, ensuring ODNR could continue dredging in areas where space had previously run out.

March 12, 2025

Traveled to the Columbus Statehouse to advocate for a line item in the state budget to secure additional funding. This proposal would allocate more funds to support dredging at Indian Lake and other lakes. The goal is for the House of Representatives to vote in April on the funding increase, followed by a Senate vote in June. We are requesting an additional \$5 million per year in the state budget (Budget Bill HB96 – Amendment Number HC-136-0400).

WHO IS GOD? Oh, Most merciful Loving God. As we walk these days of preparation for Easter. We walk in the desert with Jesus, repenting from our sins and we remember your words. "Return to me with your whole heart, with fasting, and weeping, and mourning; Rend your hearts, not your garments, and return to the LORD, your God. For gracious and merciful am I, slow to anger, rich in kindness, and relenting in punishment. Perhaps I will again relent and leave behind a blessing." Have questions about God?
