

THE MORE PEOPLE LEARN, THE LESS COMMUNITIES WANT SOLAR.

Ohio is seen as a test state for solar farms; an increasing number of counties are banning them

Rejection of solar farms in Ohio grows locally and statewide

Solar boom divides communities, as farmers decide if leasing land is worth risking wrath of neighbors

Ten Ohio counties have banned large scale wind and solar

Massive solar farms divide neighbors in rural areas

Clermont County bans large solar and wind farms in seven townships: 'We like our county the way it is'

In the end, solar power opponents prevail in Williamsport, Ohio

Ohio wants to mix solar power and agriculture; residents aren't convinced

Two more large-scale solar projects in Ohio are turned down due to community opposition

NO UTILITY SOLAR AT INDIAN LAKE

LEFT TO OUR OWN DEVICES WE TEND TO LIE TO OURSELVES. We deceive ourselves into hearing what we want to hear, doing what is pleasing to our senses and pursuing what makes us feel happy. When we seek to live according to GOD'S wisdom, we are saying to our emotions: "I will walk by faith, not by sight. I will not base every decision on they way that I feel... I will walk by what the Word of GOD says. I am going to trust the Holy Spirit to guide me." How the LORD does His part, and what His timing may be, is God's business, not ours. God will help us get through our traumas safely. Not as I will but as You will. Matthew 26:39. For GOD did not send His Son into the world to condemn the world, but that the world through Him might be saved. John 3:17. Join us at the Russells Point Church of GOD, 430 St. Rt. 708, Russells Point, Ohio 43348, 937-843-3297. Sunday school for adults/children starts at 9:30am, Church at 10:30am, and Bible study at 7pm Wednesdays. Hope to see you soon along with our neighbors and friends. 35

Your Land. Your Rights.

Sign to support solar today.

Logan County farmers have the right to use their land as they choose, whether that means farming corn, cattle or sunshine. Some are choosing to work responsibly with solar developers to install solar panels on their land and generate clean, homegrown energy that will benefit their families and the community.

Make Sure Your Voice is Heard!

Visit www.logansolarsupporters.com today to sign a petition in support of our farmers and to learn more about the benefits of solar.
