Village of Russells Point Electric and Natural Gas Aggregation

The Village of Russells Point Council has passed legislation to place Electric and Natural Gas Aggregation on the November 8, 2022 ballot.

All residents in the incorporated areas of Russells Point will vote on the issue.

A YES vote would allow the Village to use purchasing power to secure a discount for residents on these commodities.

- Historical savings average around \$100 per year.
- All AES and CenterPoint Gas customers would be automatically enrolled (unless they are in a current 3rd party supply agreement)
- There is NO FEE to opt-out of the aggregation program at any time.

The Village of Russells Point will hold a public meeting on
Wednesday, October 5, 2022 • 6:00 p.m.
Russells Point Municipal Building
433 St. Rt. 708, Russells Point 43348
to answer any questions you may have regarding aggregation and how the program works.

You may also call Bob Snavelly, Palmer Energy, at 419-491-1004.
