WHO IS GOD? God of Goodness, We come into your presence so aware of our human frailty and yet overwhelmed by your love for us. We thank you that there is no human experience that we might walk through where your love cannot reach us. If we climb the highest mountain you are there and yet if we find ourselves in the darkest valley of our lives, you are there. Help us to rest in that love that asks nothing more than the simple trusting heart of a child. Amen. Have questions about God? Need Prayers? email: polycarp1240@gmail.com
