## *Granite Monument Colors*

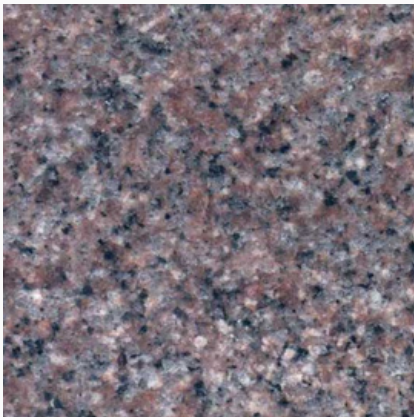

India Red

With flecks of red, black and gray, this vibrant color is a beautiful choice for any memorial and is sure to make an impression in any setting.

Royal Gray

This high-quality gray granite is a lighter variety, with copious amounts of crystal-like white. Small uniform specks of various shades of gray make this color a great option when opting for a basic granite color.

SD Pink

With brown, black, and light pink tones, SD Pink is a versatile rainbow of subtle colors. SD Pink may be known for its delicate appearance, but is as durable as any other headstone granite colors.

Silver Grey

Silver Gray granite is a beautiful combination of shades of gray, speckles of black with white sprinkled throughout. When the sunlight hits just right, you'll see beautiful silver sparkles, making it a joyful remembrance for any memorial color.
