2010 Chew Street
Allentown, PA 18104

Monday through Friday 8:30 - 4:30 | Weekends by Appointment

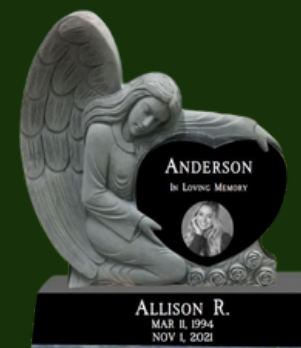

LASER ETCHED

Over 10,000 different standard designs and limitless variations of laser etching are available.

State-of-the-art, laser etched black granite memorials are now available at Greenwood Cemetery. Just provide us with a photo(s) and our design team will create a memorial that will be a lasting tribute to your loved ones life.

We can match any stone color and design!

Call us with any questions or inquiries!
