Elberta Emma Adams will no longer be responding to the McCormick school bell. After twenty-two years of service at McCormick, she and her husband, Herb, will be taking off for Iola, Kansas, where they have built a lovely new home for their golden years.

Mrs. Adams graduated from K.S.T.C. in Pittsburg, Kansas, and taught for nine years in country schools in Linn County. She rode a horse to school, built her own fires in the pot-bellied stove, cooked lunch for her students, and prepared all eight grades to pass the State Board exams.

She taught for twelve years in Russell, Kansas, and then came to McCormick where she has taught - sometimes fourth, sometimes fifth, and sometimes a combination of both.

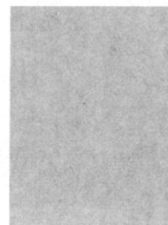

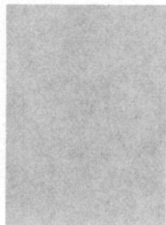

She will not lack for activities as she belongs to Delta Kappa Gamma, Eastern Star, and the Knife and Fork Club. Her guidance as a teacher will continue to influence the lives of those who have spent their formative years under her tutelage and have moved to the far corners of the earth. It is our hope that this influence may be passed on through the lives of those she has touched.
