2015 - 2016

Dear Principal,

It is our pleasure to provide you with this year's Lifetouch Principal's Album. Besides serving as a convenient means of identifying students in each class, your collection of albums over the years will be a historical record of your students and staff. We imagine the pictures will bring back many special memories.

Please know that Lifetouch appreciates the enormous impact of educators on the lives of young people, and we value the opportunity of partnering with you to serve your school and its families.

Very sincerely,

Lifetouch[®]
