The Youth and Sports Ranch includes three turf fields - an outdoor field, an outdoor cage, and an indoor field - so practices are never canceled! Our Club fully supplies all equipment: balls, bibs, cones, goals, hurdles, mannequins, etc!

The StrikerZ DFW mission is centered around building relationships, character, and playing quality soccer.

Our training is centered around four main concepts: Possession, Progression, Finishing, and Transition. Our style will be positive, both in our play and attitude, and will encourage high energy and leadership from every player and staff.

" I want to give each and every kid the opportunity to develop, to be confident, to be successful, to achieve their goals, and to have fun the whole time they're doing it!"
