

Advisory Services & Compliance Concierge™ 2025-2026 Rates

Dedicated Account Manager: Your organization is paired with a senior Account Manager who understands your portfolio, risk profile, and strategic objectives. Should the partnership ever need recalibration, Avallon will seamlessly transition your Account Manager at no additional cost—ensuring uninterrupted support and continuity.

Direct Access to Avallon's Expert Bench: Through your Account Manager, you gain on-demand access to Avallon's network of specialists in terminations, disputes, audits, compliance, and donor regulations—delivering institutional depth without the expense of maintaining a full in-house team.

Proprietary Frameworks, Tools & Institutional Knowledge: Access Avallon's exclusive library of policy frameworks, compliance toolkits, checklists, and databases—refined through decades of experience supporting U.S. Government and international development programs across the globe.

Predictable & Scalable Pricing: Our subscription and block-hour models eliminate billing volatility, offering transparent, scalable support that adjusts to your operational tempo—whether for short-term surge coverage or long-term embedded expertise.

Continuity & Risk Mitigation: Outsourcing compliance and award management functions reduces key-person dependency and ensures seamless continuity during transitions, staff turnover, or emergent situations.

Strategic Partnership—Not Just Staffing: Avallon advisors don't simply process transactions; they anticipate risks, strengthen systems, and position your organization to meet evolving donor and regulatory expectations with confidence.

All services are billed in 1/4-hour increments unless otherwise noted.
