

## One Voice for Liberty - Sunday 21st June 2026 Boroughbridge, North Yorkshire

*Divine Mind LTD is a profit making organisation but a philanthropic company devoted to the happiness of the world.*

CLIC sits within Divine Mind, as a very different concept to networking. One Voice for Liberty is organised by CLIC, as a movement towards greater love, joy, unity, peace, liberty, creativity, gratitude, inspiration and connection.

We are delighted that you have chosen to collaborate with us and to be part of our second One Voice for Liberty event. We anticipate this becoming an annual movement that will grow in size and in momentum every year.

Please take time to read through the details below. As soon as we receive your completed form, we will start to promote you on our website and social media platforms.

We will have regular updates on our website link <https://divinemind.love/one-voice-for-liberty> so please keep checking, and also please update us with any of your requirements ASAP as we get closer to the date.

### **Location:-**

Coronation Hall, Milby Lane, Boroughbridge, North Yorkshire. YO51 9BL

### **Timings:-**

**12:00 noon to 18:00 hrs.**

For our stallholders, we will be opening our doors to the public from 12noon until 18:00. This allows people time to go across the road to the riverside, where the sponsored fire walk will take place between 18:30-21:00 in support of UNICEF. It will also provide our team the time needed to set up the main hall for an evening of fun and entertainment.

## **Optional Stallholder Sharing**

For those of you wishing to share more about your work and your business, we invite you to join us on stage for a live interview, with focus upon conscious creation in your business.

As our way of offering you on-going support, we would like to record these any time between 12:00 noon and 17:30. Following the event, we will be very happy to share your recorded interviews on social media platforms, and you can do the same if you wish to.

## **Interview questions**

We have prepared the following three questions for your interview:-

- When a spark of inspiration presents - as your awareness of it begins - what is present that can help your business develop into greater success?
- As a powerful magnet of creative energy, what creative energy do you choose to create with?
- As we become more aware of creative energy, we become conscious creator beings and we begin the journey of the awakening mind. What is your business assisting you with in this conscious creator journey?

## **Stall Logistics**

There are 3 locations for the stallholders to set up at Coronation Hall.

- Main Hall
- Vision - a ground floor room with windows leading to a small enclosed outside area
- The car park - we anticipate lovely weather on the day and some of you have already expressed an interest in having your stalls outside 🌞

For those who have booked a stall, you will be provided with a table and two chairs which will be placed around the perimeter of the main hall. If you require more chairs, please let us know. Pop up banners and decor are welcome, but please be aware we are unable to pin anything to the walls. If you require tables and chairs for the car park or Vision room, please let us know.
