

GOD HAS A PLAN FOR YOUR LIFE

“The Lord God placed the man in the Garden of Eden as its gardener, to tend and care for it...”

Genesis 2:15-23 (TLB).

Before God created man, He first created the world he would live in. Before He placed man in Eden, He already planted the garden with various trees and supplied it with rivers. All the man had to do was just to tend and care for it; that was his purpose for being in Eden. God thereafter gave him a clear instruction for living which he was expected to strictly adhere to. (Verses 16-17). In addition to this, God gave him an appointment he never applied for and a wife he didn't ask for. (Verses 18-23).

How does this relate to you?

As a person living on this earth, your purpose was established long before you were born. (Jeremiah 1:4-5). Your reason for living is well known to God, and He is eager to reveal it to you. God will never place you in an 'Eden' just to be looking; He surely has a plan for you there. For Adam, He was to tend and care for it; so you are also on earth to do something. Get saved – be born again - and thereafter ask in prayer; find out from God, He will show you your own assignment. He will tell you what to 'tend and care for'. Once your purpose is established by reason of your discovery, appointments, opportunities etc you did not even pray for will start locating you. Also, you won't have to necessarily pray for a spouse as a youth; God will naturally connect you to your mate. In your purpose lies all you will ever need to be fulfilled in life; outside this, struggling is inevitable.

However, God also gave Adam a 'warning for living'; and this is true of you as well. In fulfilling your purpose, there are things you must not do and there are things you may do. One thing you must not be found doing as a purpose – conscious person is SINNING. This can cost you your fulfillment in life.

So, be born of God, discover your purpose, start working and walking in line with your purpose, obey all the warnings you are given by your Maker (as contained in the Bible), and all you will ever need to be fulfilled in life will be made available to you. You won't have to pray at times before your needs are met. May your life here on earth cooperate with God's plan for you. Amen.

If you want to give your life to Jesus Christ; say these prayers:

Dear Lord Jesus, I am a sinner. Please forgive me of all my sins, I accept you into my life today as my personal Lord and Saviour. Help me to live a holy life beginning from now. Thank you for saving me.
