

OPERATION "JESUS GOES TO MARKET"

HAVE YOU EVER CONSIDERED THIS?

There is a particular trend I have personally observed in places of commercial activities popularly called markets. For instance, in every market certain categories of people are always present – the sellers, the buyers and the commuters (who transport items for both the sellers and the buyers). Also, people come to the market at different times but do not necessarily leave at the same time. Furthermore, in the market place every seller has the right to advertise their products and even persuade the buyers to patronize them; but despite this no one buys everything in the market; purchases are made based on the choices/decisions of the buyers. However, there is this particular trend which I find so interesting. No matter how many the sellers and buyers are and no matter how many items are displayed for sale in the market, NO MARKET STAYS OPEN INDEFINITELY. THERE IS A CLOSING TIME FOR EVERY MARKET AND WHETHER READY OR NOT, ALL BUYERS AND SELLERS MUST LEAVE THE MARKET WHEN IT CLOSES.

This life is just like that. We didn't come into this world at the same time and we definitely will not leave at the same time. Also, there are several things attracting our attention in this world just as items in the market attract our attention. Things like riches, power, fame, success, marriage, beauty, houses, cars, promotion, covetousness, girlfriends, boyfriends etc. But ONE THING IS CERTAIN, THIS WORLD WILL CLOSE ONE DAY AND YOU WILL BE FORCED TO LEAVE. With this in mind, it is wise to prepare for your eternity. If you are interested in making it to Heaven which is what we recommend, repent of your sins and accept the Lordship of Jesus Christ over your life (Romans 10:8-11). But if you prefer to spend your eternity with the devil in the lake of fire, all you need to do is to continue in your sins. Just like you choose what to buy and what not to buy in the market, this is also a matter of CHOICE. May the Lord give you the wisdom to choose rightly in Jesus' Name. Amen.

If you will like to learn how to overcome temptations and live for Christ on earth, kindly contact us through www.gloem.online. God bless you.
