

Weekend of Shenandoah Valley Touring
Friday, September 25, 2026 through Sunday, September 27, 2026

We have booked reservations at [Shrine Mont](#), a place of inspiring beauty and serenity, where the tour will begin with dinner at 5:30 PM on Friday, September 25th.

The reservations at the retreat include Friday and Saturday lodging, and six meals from Friday dinner through Sunday lunch, with the lunches being bag lunches to eat while on tour. The lodging at Shrine Mont will be two adjacent cabins – Williamsburg and Alexandria; each family will have a private bathroom.

The planned tour routes:

- Saturday – a tour loop – about 72 miles – to the south to the Quilt Museum in Dayton, VA; Plains County Historic Museum in Timberville, VA; and a local ice cream stand in Bayse, VA. Our picnic lunch will be at the pavilion of the Greenmount Church of the Brethren.
- Sunday – A slightly longer tour looping to the north, with a lunch stop at the picnic pavilion at the Woodbine Country Market, Strasburg, VA, a tour of the mansion at the Belle Grove Plantation near Middletown, VA, and a close-out ice-cream stop back in Bayse.

The comradery and restful rejuvenation of this tour will be exceptional. No TVs, spotty internet access; once the Ts are attended, pull up a rocking chair on a front porch and swap Model T stories. The back-country roads of the tour routes will offer breathtaking vistas, handsome countryside, and rambling roadways leading to beautiful settings.

We must set a final participation count with Shrine Mont by July 25th. Therefore, registrations for the tour must be made by **July 25, 2026**. Any member of the Model T Ford Club International may register or seek more information by contacting Tour Director Ford Chinworth, at
