1. Member must currently have a boat slip and be on the Park boat slip move list.
2. For 2019 the moves will be by when the member got on the list. Member must be in good standing or they will be passed.
3. Starting in 2020 moves will be by Park seniority not when the member got on the list.
4. In order to move, a member must be in good standing. If they are not they will be called but informed that they can't get a new slip until they get in good standing and they are being passed until they do.
5. Boat slip move list is only good for one year. It will be required of each member who wants to move to a different boat slip to get on the list yearly.
