**Keweenaw Hodge Podge Lodge House Rules
2021 Rental Season**

1. Smoking is NOT allowed by guest or visitors.
2. This rental agreement is between Homeowner and Guest and the identified Rental Party. Persons other than those in the Guest Rental Party set forth above may not stay overnight in the property. Guest is responsible for all persons visiting or staying at the property. Guest is not allowed to bring a pet without specific approval and guests are not allowed to bring pets.
3. The property is privately owned and the owners are not responsible for any accidents, injuries or illness that occurs while on the premises or adjacent property. The Homeowners are not responsible for the loss of personal belongings or valuables of the guest. By accepting this reservation, it is agreed that all guests are expressly assuming the risk of any harm arising from their use of the premises or others whom they invite to use the premises. There are stairs inside and outside the property, it is located adjacent to a body of water and care must be taken while walking on uneven and constantly changing terrain as a result of wind and wave action. Guest specifically accepts responsibility, risk and liability arising from use of premises and surrounding area.
4. Keep the property and all furnishings in good order. Please inform homeowner of any items needing attention.
5. Small dogs are permitted only with prior approval and a separate *Pet Addendum* must be completed. If it is found that a pet has been brought without prior approval and completing the *Pet Addendum* and paying the extra fee, Guest will forfeit their security deposit. Pets are not allowed on the furniture. Pet waste must be picked up, properly bagged and disposed of in the outside trash can. Visitors are not allowed to bring pets and will result in forfeiture of deposit.
6. There is no daily housekeeping service. While linens and bath towels are included in the home, daily maid service is not included in the rental rate. Due to personal preferences and allergies, you will need to bring your own soaps and shampoos. We suggest you bring beach towels. We do not permit towels or linens to be taken from the home.
7. Guest is responsible for doing their own dishes and ensuring that all items used are clean and ready for the next guest. It is OK to leave clean dishes drying in the rack upon departure.
8. Parking is limited to 4 vehicles. There are two driveway spaces (parking front to back) and two additional vehicles may park along the road directly in front of the house.
9. There is a woodstove on the property which has been taken out of service. Do not, under any circumstances, try to use the woodstove.

10. The property utilizes a very small septic system that was designed for a small, seasonal residence. While the septic system is effective, large groups can place an extra burden on it; therefore we ask that guests minimize the amount of toilet paper flushed down the toilets. Lightly soiled (just damp) toilet paper should be placed in the lined trash cans available in each bathroom. Do not flush anything other than toilet paper. Do not flush wipes. Do not flush feminine products. If it is found that wipes, feminine products or other inappropriate items have been flushed and clogged the system, you could be charged damages of up to \$650.00 to have the system pumped.

11. There are two garbage cans at the end of the driveway for convenience. Depending on how much garbage you have, you may place it in the outside cans during your stay or leave it inside in the trash cans and housekeeping will remove it.

12. Please keep bonfires to the left as you go down the steps and as close to the lake as possible. To protect this beautiful area, NEVER build a fire on a windy day. For safety, build your fires closer to the water. Make a fire ring of stones and keep the fire to a size that is both safe and enjoyable. NEVER leave a fire or smoldering embers unattended. When you are done for the day, use the bucket on the back deck to get water out of the lake to put the fire and embers completely out ensuring there is no hot ash. If you must leave a partially burned log, turn it over and pour water on both sides and on the rocks underneath it ensuring that embers will not reignite. Having a bonfire on the beach is just one of the many pleasures you can enjoy at the property, but fire danger can be exceptionally high as there is vegetation all around and winds can quickly fuel the flames.

13. Things happen and we understand. If a glass is accidentally broken or some minor damage occurs we don't take that out of the security deposit. What we do ask is that you tell us so we can replace or fix the item for the next guest. If you notice something damaged when you arrive, please let us know right away.

14. Most GPS systems will not correctly locate the property and you should plan on using these directions to ensure you find the property easily:

From the Calumet area, go north on US 41 until you reach Phoenix/the Phoenix Store. Make a left turn onto M-26. Follow M-26 through Eagle River. Three miles past Eagle River you will see Jacob's Creek Falls and the Jampot on the right. A little further you will see the Ukrainian Orthodox Catholic Skete (Church) on the left. Continue following M-26 along the water just 1/10 of a mile until the first house on the left. It has blue siding and there is a red plate on a tree with white numbering on a tree that reads 6603. Congratulations, you have arrived!

15. When your stay is over please close all the windows and lock the doors and have a safe drive home.

16. Above all, enjoy your stay!
