**2026 ZIMBABWE  
SCIENCE FAIR**

# WHAT IS THE ZIMBABWE SCIENCE FAIR?

- The Zimbabwe Science Fair (ZSF) is the country's biggest and most prestigious science competition for students in primary and high school.
- The ZSF recognises, celebrates and supports the country's most brilliant students who are using STEM to solve society's grand challenges.
- Alumni of ZSF have been awarded scholarships to some of the world's biggest research institutions like Harvard, won over \$50 000 in cash awards at international science competitions like ISEF, and turned their science projects into startups.

Registration OPENS on 1 November 2025 and CLOSES on 23 January 2026.

Registration is done through the website [www.zimsciencefair.org](http://www.zimsciencefair.org)

# WHO CAN PARTICIPATE?

- Students in Zimbabwean primary and high schools from Grade 3 to Form 6.
- Students who have science projects to showcase. Projects can be individual projects or team projects with up to 3 members.
- Projects must adhere to the **Zimbabwe Science Fair rules and guidelines**.

**1 November 2025**

*ZSF 2026 registration opens*

**23 January 2026**

*Registration deadline*

**3 February 2026**

*Finalists and teacher awards  
announced*

**10 February 2026**

*Project IDs assigned*

**13 February 2026**

*Finalists briefing event*

**25 - 27 February**

*Final judging in Harare*

## HOW DOES IT WORK?

Students complete an **online registration form** consisting of a project summary and report.

There is a registration **fee** to be paid before submitting the registration form.

The deadline for 2026 is **23 January 2026 at 6PM.**

In 2026, there will be awards for teachers and schools that register many projects.
