After School Pickup and Taekwondo Program

September 5, 2023 – June 27, 2024

Luke's Champion Taekwondo offers the highest quality, professional after school pickup program in Markham. Accepting children ages 4-12 years of age, we provide safe pick up from their school to our facility. All children will get a 45 minute high energy taekwondo class as well as time to do their homework before getting picked up. Tae Kwon Do teaches your child respect, confidence, discipline, focus, courtesy, positive attitude, anti-bullying, and self-defense. Your child will be looked after, until you are ready to pick them up at our facility when you finish work.

Our after school pickup and taekwondo program is offered full time, Monday to Friday. Registration begins in May 2023 for the following term beginning in September 2023. Enrolment is for the full school year. However, acceptance may be considered throughout the school year if space is available.
