

Smarter Home Security

Smart Home Security that Works for You

- Proven technology trusted by more than 2 million people
- Dedicated, reliable cellular connection to work when you need it most
- Proactive safeguards to keep your home and family comfortable, safe and secure
- Constant 24/7 awareness of what's happening at your home

Welcome to Your Smart Home

Connected Security

By combining secure communication and innovative technology, your system is engineered to withstand vulnerabilities.

Dedicated Cellular Connection: Reliable, secure communications. No phone line required.

Tamper Resistant: Works if the phone is cut, the internet is down, power goes out or the security panel is damaged

Mobile App: Control your home no matter where you are with one, easy to use mobile app

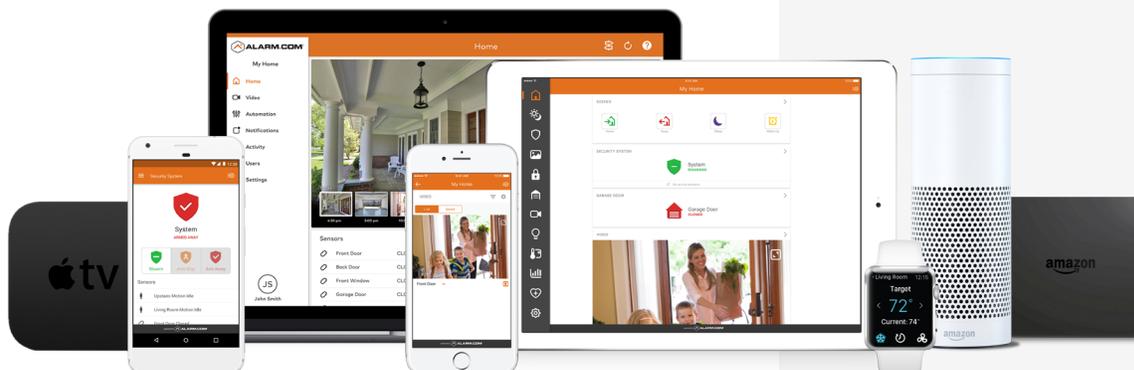

Always Aware

Knowing what's going on at home is the next best thing to being there.

Instant Alerts: Get an alert delivered to your phone no matter where you are

Monitoring When Disarmed: Get notified of what matters to you whether or not the system is armed

Personalized User Codes: Know who is coming and going

Smart Automation

Stay safe and comfortable with a system that adapts to your needs.

Rules: Create custom rules to automate your home

Scenes: Set the perfect environment with the click of a button

Geo-Services: Automatically change settings and get notifications, based on your location

Unexpected Activity: Your system can learn your normal routine and alert you when something out-of-the-ordinary occurs.
