Treasurer's Update, Ana Ehrler, Treasurer -33 min

- **Budget Update—**
 - 2025-26 Budget Vote:
 - Goal was to raise \$55,000 at Wildcat Walk to cover the next 2 years' expenses
 - We have a tendency to underspend each year
 - Due to refund from IRS, we have about \$3-4k in discretionary funds
 - 3 additional line items: \$1500 for DEI Committee, \$1500 for the Green Club, and \$1000 for community/feeder pattern donations. Designated up to 5% of funds raised are eligible to go to community expenses.
 - All budget documents are available on the PTG website
 - Kendra Chapman motions to approve the budget; Jeff Klein seconds. All in favor; motion passes.

- Votes

- Heart Puzzles Funds Request: \$150 for 4th grade team for 5- 3D heart models that can be reused year after year. Kendra Chapman motions to approve; Kelli Wright seconds. All in favor; motion passes.
- Green Club Funds request: \$1000 for reusable supplies such as water coolers, collapsable trash cans; Rachel Witham points out that we could purchase a coffee brewer to use for Wildcat Wake Ups, Pancake Breakfast, Monster Mash, or other events as well. Collapsable trash cans are easy to store. Kendra motions to approve; Jeff proposes to raise the amount to \$1250 to reduce need for a second approval. Kendra notes that they will likely be under on their allotted budget this year and could use the extra funds to cover any additional expenses. Bre agrees that combined budgets should cover the expenses. Kelli Wright seconds the motion. All in favor; motion passes.
- PBIS: \$300 for schoolwide PBIS event prizes (variety of small and large); would be a yearly cost. Kendra moves to approve. Kelli seconds. All in favor; motion passes.
- Together Spokane Campaign: we have donated in the past to support district campaigns; last time we contributed \$250 and are asked to do the same again; Jeff notes that Sacajawea has this written is as a line item so it's planned that we will support our bonds and levies. Kendra Chapman motions to approve; Ana Ehrler seconds. All in favor; motion passes. Ana will send the check tomorrow.
- Earmark Shade funds: \$3000 Janae Pasinetti brought this proposal to us; many things need to be worked out with the district. Not committing it now, but wanting to have it available when we are ready to move forward after the logistics are ironed out. Looking for input from community about what is wanted/needed and also looking for people to help work on this project. Mr Syron spoke with the capital projects manager for the district about shade options.
- Mr So and So suggests buying 3D printer to use for printing heart models, prizes, etc for long run cost savings. Ana Ehrler points out that 3D printers can be more complicated to use. Kendra notes that it has not been on our radar but that we would require someone to take it on as a passion project and that we are open to it.
