**OCCUPANTS:** Any persons listed on the rental agreement as "occupants" who are residing on resort property by virtue of residency with an authorized guest may reside on resort property, but are also subject to screening. Screening must occur within the first 15 days. "Occupants" shall not be allowed to reside with an authorized guest if such occupant poses a threat to the health, safety or welfare to the resort community. Such occupant must be named as an occupant in the guest's rental agreement and be independently approved for occupancy. Any occupant on resort property may only occupy as long as such guest occupies resort property. If the authorized guest(s) vacate(s), are evicted or no longer occupies the subject home due to death or illness, all occupants must either be screened for residency or forthwith vacate within ten (10) days of the guest's departure from the subject premises unless such departure is temporary. Only two people per unit are allowed.

The “live in care provider” shall not be considered a visitor but must comply with the rules and regulations of the resort. If the applicable guest dies or no longer needs the services of the care provider, such care provider must forthwith vacate resort property. Management may also, at its sole election, determine that the care provider is deleterious to the welfare of the applicable guest and challenge the right of the care provider to remain in occupancy with the guest, by contacting the guest’s physician, social services or any other agency or relative responsible for the welfare of the applicable guest.

## **SALE OF UNIT**

**We would like to purchase your unit.** We reserve the first right of refusal. For any units that are sold to be removed from the Resort, the Resort reserves the right to match the price and keep the unit in the Resort. By signing receipt of these guidelines, you are granting the Resort first right of refusal. Removing a unit from the Resort causes a decrease in occupancy and

many Resort guests would like to rent or buy a used unit. Therefore, we want to keep every unit in the Resort for the use of its guests and not have it removed from the Resort.

If you sell your unit to someone who is keeping the unit in the Resort, the buyer needs to register with the park office and sign all required paperwork before buying and occupying unit. If you would like to advertise your unit on our website, please contact the Activity Office. Our webmaster can post description and pictures for \$25 fee. All sales aspects (title transfers, deeds, property tax changes, utility name changes or any other related paperwork) are strictly the responsibility of the seller and prospective buyer. The Resort owner, personnel, and/or management will not participate in any of the above mentioned unless the Resort purchases the home from you.

If Resort does not elect to purchase the home, guest may proceed to sell the unit pursuant to the terms and conditions set forth in the offer or the proposal presented to Resort. If the transaction contemplated by any offer or proposal presented to Resort does not close in accordance with its terms and conditions for any reason, the right of first refusal of Resort shall continue as set forth herein and shall remain in full force and effect with respect to any future sale, dismantling, or removal of the home. If the prospective purchaser from guest applies for occupancy with Resort to keep the unit on the premises, is approved, and enters into a new rental agreement to keep the unit on the premises, the right of first refusal shall be waived by Palm Shadows with respect to that prospective purchaser.

All guests wishing to sell their unit will be bound to the following:

1. All sales aspects (title transfers, deeds, property tax changes, utility name changes or any other related paperwork) are strictly the responsibility of the seller and the prospective buyer. The Resort personnel and/or management will not participate in any of the above mentioned unless agreed upon prior to the sale.
2. The owner must remember that all prospective new buyers are required to schedule a short interview with the Resort management and should not in any way give the prospective buyer the impression that they may move into the Resort before this interview has been held and their application has been approved. Resort management reserves the right to allow a unit to be sold in the Resort or remain in the Resort after the transfer of ownership based on age or condition of the unit. This is a 55 and over retirement resort community so please make sure all prospective buyers are aware of this age requirement.
3. All units sold in the Resort must have an electrical inspection by a licensed electrician in the state of Texas. Any and all deficiencies must be corrected prior to the new homeowner occupying the unit. The electrical inspection and proof of

corrections of any deficiencies must be presented to the park office in order for the new homeowner to be approved as a guest and to occupy the unit.

4. No outside FOR SALE sign is permitted. A FOR SALE sign in the unit window will be acceptable. If you decide to utilize a professional real estate company to sell your unit, the following guidelines **MUST** be followed:
  - a) Your real estate agent has to register with the Resort office before conducting any business at the Resort.
  - b) One professional real estate company sign may be placed in the front window of your unit.
  - c) Resort management will not be responsible or liable for any actions of your real estate agent.
  - d) All showings have to be scheduled during regular business hours.
  - e) You must inform your real estate agent that the Resort reserves the right of first refusal if the unit is sold and is to be removed from the Resort.

## **MOVING-OUT OF PERMANENT UNITS**

The guest is responsible for paying a \$500 moving deposit before any work can be done on the removal of the unit. In addition, the movers must present proof of current insurance to the main office. Upon move out of unit, if the site is completely cleaned up (including removal anchors, all debris, sheds, etc.) within 7 days of the start of the moving of the unit and there was no damage done to the Resort (e.g. breakage of pipes) and payment of all charges and fees, management will return moving deposit. Upon removal of said unit, if the area under the unit is dirt/rock and is such that the area needs rock fill (caleche) to said area to be level with existing space around the unit, the guest is responsible for filling the lot to meet above specifications. The moving deposit will not be returned until management has inspected lot and all requirements are met. If the guest leaves lot in an unsightly manner the moving deposit will be forfeited. If a unit is sold and is going to be moved out of the Resort, the selling party must pay the \$500 moving deposit before the unit can be physically moved. **NO EXCEPTION.**

You must call the park office prior to your arrival to open your mailbox if you expect mail to arrive before you do.

All packages delivered by the US Post Office will be delivered to your unit by volunteers. The mail is delivered at various times and during the height of the season, delivery can be very late in the day. In that instance, packages will be delivered the succeeding day. Inclement weather may also delay delivery. No Saturday or Sunday package deliveries.

Do not let your mailbox get full such that it is impossible for the mailman to deliver your mail to your box. Should you allow this, your mail will be returned to sender. **The office will not store accumulated mail.**
