WHAT'S NEW

This newsletter! And many more things to come as the off season begins!!

During the offseason, you won't receive a weekly publication. However, I'm self-teaching myself this software! So who knows! It's in the Adobe family so it's not totally foreign but it's been several years since I've used Pagemaker which evolved into In-Design, this current software. And it has a lot of Photoshop characteristics as well.

Keep your eyes open! I'll perk your mailbox up from time to time!

VOLUNTEERS

We are so blessed to have so many wonderful volunteers in our park! Our activities and functions would not happen without you! With that said, I am searching for volunteers for the following for the 2020-21 season:

- Baked Potato Coordinator
- Exercise Room Coordinator
- 50/50 Raffles at Dances
- Greeters for Monday Night Entertainment
- Night Watch
- First Responders

Email me if interested!!
