

Discovering and Discerning God's Voice
Bishop Tyrone Sellers – 1/11/2023

- **Three M's that are necessary for discovering and discerning God's voice.**

- 1) Memory
- 2) Motivation – Jeremiah 29:13 (How much do you really want to grasp God's heart?)
- 3) Maturity – Hebrews 5:14

- **Seven principles of discovering and discerning God's voice.**

- 1) God's voice will always honor Jesus. (John 15:26; 16:14, 1 John 4:1-3)
- 2) God's voice will be consistent with His Word. (2 Timothy 3:13-17)
- 3) God's voice will often conflict with human wisdom. (1 Corinthians 1:18-25)
- 4) God's voice will challenge or faith. (Romans 10:14-17)
- 5) God's voice can be confirmed with emotions. Emotions should not be our only guide in life. However, the Bible does tell us that we will experience certain emotions when we are following God's will for our lives like peace (Philippians 4:7), joy (Philippians 4:4), and contentment (Philippians 4:11-13). These emotions are signs that you truly are doing what God wants you to do.
- 6) God's voice causes you to bear fruit. (Matthew 7:17-20, Galatians 5:22-23)
- 7) God's voice will bring calm to your spirit. (1 Corinthians 14:33)
