

[St. George Young Theatre Program Fundraiser | Bonfire](#)

St. George Young Theatre

Our small towns are full of talent! If you believe this, please partner with us in bringing quality theatre programs for young people in St. George, South Carolina. St. George Young Theatre is run by volunteers and supported by the wonderful town of St. George. We operate with no income and rely on generous donors for all sets and costumes.

Our goal is to revitalize the theatre community in St. George. In addition, we use theatre as a bridge to relationship building and creating positive experiences for young people in our community. We hope to be a diverse group of thespians that serve the community for years to come!

Every shirt purchased helps us achieve this goal and make a positive impact on our community! Please join us at the Lourie on May 31st and June 1, 2024 to support our young thespians in their production of "Peter Pan and Wendy."
