We are asking every person involved with First Baptist Church to join us as we pray for the church & seek what God has for us next.

This begins February 7th & concludes August 1st as we kick off our month long 175th Anniversary Celebration.

While we are sure all will pray, we are asking each person to please sign up for specific days that you will specifically & intentionally pray for First Baptist Church. This will encourage everyone to know there are specific people praying each day and allow for guaranteed prayer coverage as we head toward celebrating all God has done in & through this place we all love.

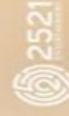

175 DAYS Prayer

First Baptist Church in Centerville wants you to have an early Valentine's Day date on 2/13 for just the two of you! Bring your kids & we'll feed them pizza, popcorn, & juice pouches while they watch this epic new movie. Then while they have their time, you & your spouse or partner can go enjoy dinner or a couple hours of alone time.
