

First Baptist Church Ministries & Service Opportunities:

Below are the Ministries here at FBC. Listed are the Elders and Ministry Chair if there is one. If the ministry chair is vacant (in red), that is an area of great need to be filled. Please pray about whether you'd be willing to step into that role. It would be of great service to our church.

Beside each bolded ministry are areas available to serve and areas of need. Please contact the ministry chair person or the elder in charge of that ministry to discuss how and where you may fit. We'd love to have as many people serving as possible to help be a robust working church that impacts the community with the love of Jesus. Please consider serving!
