## **Interested In Being Baptized?**

We have at least one person who has requested to be baptized at Lake Rathbun on May 31st. If you're interested in being baptized in the lake or otherwise, please contact Pastor Tony & he will be happy to make the arrangements. The exact location to be determined.

### **Ioannis Gratsinopoulos**

The guest speaker for May 24th is a close friend of Pastor Tony's. The speaker's name is Ioannis Gratsinopoulos with Grats LLC. Grats LLC is a missional ministry organization that helps pastors, churches, and business leaders to best move in the power of the Holy Spirit as they navigate the challenges faced in today's world. Pastor Tony is a member of the intercessory prayer board for this ministry. Ioannis' wife Erica and daughter Theodora will be joining him as he visits with us and tells us of what he has seen God doing throughout the United States. This should be a very good message and a fun time visiting with the Gratsinopoulos family. While this is not a missionary that FBC supports, you will still have an opportunity to meet with them after church and support them in prayer or through a love offering if you feel so inclined. This is in no way a requirement. We are excited to hear what God is doing throughout the US in churches, businesses, as well as get a glimpse of perhaps how they may help us get a glimpse of how to pray for these places and the leaders that help them along.

Please be in prayer for the Gratsinopoulos family as they travel from Idaho to a number of speaking engagements across the US and to us for the 24th. Then please join us for a very fun Sunday, May 24th.
