Connecting With Pastor Tony

It is a privilege to be your pastor, and I'd love to meet with you! Please drop in during office hours or schedule an appointment for a different time. For me to best steward my time I have allocated certain times during the week as *"available by appointment only"*.

This doesn't mean I can't meet with you. This just allows a dedicated time to be in prayer for each of you daily, prepare my sermons, and do administrative work. This time also gives me the freedom to be in or out of the office to do visits or attend meetings and community events as a representative of FBC. Rest assured my cell phone is always with me, so I am reachable if you ever need me. If you don't reach me, please leave a message or text.

Pastor Tony's Office Hours

Office: 641-856-2420 Cell: 650-208-6733

I do try to model living biblically by obeying God's Commandments, so I take a dedicated Sabbath (generally a Mon or Fri). I also honor my family saving Saturdays for them. This should not hinder our connecting. Relationships with you are something I value, so please don't hesitate to connect with me.
