Amsden Baby Shower

Mike & Kristen Amsden are expecting their first child.

This is worthy of a celebration! We will be having a baby shower on Sunday 9/13 after Sunday School. As we know, with a new baby comes many needs and new expenses.

if you desire to bless this young family, they are registered on Amazon & there will be a gift box downstairs on the 13th for you to do whatever the Lord leads you to do. Both men & women are encouraged to come and celebrate what God is doing in this family.

Neighborly Help

Our next-door neighbor to the North on 7th is looking to do some yard work & potential tree removal. They have not asked for help. However, we'd like to put together a service team willing to help & offer the blessing. If you're interested, contact Pastor Tony.

Pastor Working From Home

Pastor Tony's wife Jen will be having breast cancer surgery on 9/17. He will be working primarily out of his home office for the next 4-6 weeks as he cares for her in her recovery. He will still be available via phone & will meet via appointment. Thank you in advance for understanding.
