7. The Midland Sportsman Club has a new website and it is now operational. The new website name is midlandsportsmen.com. When the home page comes up you will see 3 bars in the upper left hand corner. If you click on the 3 bars you will then be able to view general meeting dates, any and all club events, all monthly newsletters, club members photos, the list of officers and directors and their contact information, all membership and dues information, and any added correspondences. The website was designed to be easier for our members to view, simpler for our members to navigate, and much easier to post all the information that our members need to see. This new website was designed and created by Cathy Ware. She has put a lot of time and hard work into making this site more user friendly for all parties. Her efforts are noteworthy and commendable. Thanks Cathy!!
8. Anybody performing work at club please make sure you turn in your time to any director or officer. Make sure to include date, times, and what was one. We are logging

hours and doing a better job of keeping track of members work hours.
