Meeting Gun- there will be 2 guns available on meeting night. Winner will have choice providing enough tickets are sold. If not enough tickets are sold then it will become a 50/50.

Paddlewheel- the number of spins on the wheel will be dependent on the number of tickets sold. Unsure if Greg has anything special for the first spin.

Club News-

1. ALL HANDS ON DECK!!! Midland club has its annual January gun/cash ticket available. Tickets will come in books of 5 and are \$40 each. This fundraiser is a big source of income for the club. It also relies on the help of many of the members to make it successful. This year is no different. Member involvement is paramount. Tickets will be available at both the October and November general meetings and also at the Sunday turkey shoots. Tickets can also be obtained by contacting any officer or director of the club or by contacting Rob Nicol directly at

412-559-3453. Arrangements will be made to get you what you need.

2. Turkey shoots are now running at the club. Shoots are on Sunday's starting at 1pm. Several choices of meat are available. Steeler games will be on the big screen. This is a perfect opportunity to introduce a kid to the sport of shooting. These shoots are open to the public. Would definitely like to see a better response from our membership at this event.
3. The Midland Sportsman Club has a new website and it is now operational. The new website name is midlandsportsmen.com. When the home page comes up you will see 3 bars in the upper left hand corner. If you click on the 3 bars you will then be able to view general meeting dates, any and all club events, all monthly newsletters, club members photos, the list of officers and directors and their contact information, all membership and dues information, and any added correspondences. The website was designed to be easier for our members to view, simpler for our members to navigate, and much easier to post all the information that our members need to see. This new website was designed and created by Cathy Ware. She has put a lot of time and hard work into making this site more user friendly for all parties. Her efforts are noteworthy and commendable. Thanks Cathy!!
4. Anybody performing work at club please make sure you turn in your time to any director or officer. Make sure to

include date, times, and what was one. We are logging hours and doing a better job of keeping track of members work hours.

5. REMINDER!!!.....members have from August 17th which is general meeting night until December 31st to pay their dues. DON'T FORGET!!
6. The directors were approached by members regarding possibly starting the general meetings at 6:30 instead of 7pm. The reasons involved work issues and our junior members not being able to attend meetings due to these meeting running late on school nights. We will discuss this topic with the membership at the general meeting.
7. The club needs help in the kitchen. Sherri Knight is currently in charge of the kitchen, but in no way should she be required to do this herself. The kitchen is open on general meeting nights and also during special events and happenings at the club. If the club cannot get some help in the form of some volunteers in this area then the directors will be forced to take corrective action. If interested in helping in the kitchen please see a director or officer of club.
8. The officers/directors of this club are open to hearing suggestions from the membership regarding anything bettering this club. Contact information for any and all the directors and officers can be found on the club website. Please feel free to reach out.
