Being owner(s) in good standing with Hammock Lakes District Association, Inc. (HLDA) with regard to assessment fees being current and the property being in compliance, I (we) have given a copy of the **“Rules Brief”** to the current tenant(s) and also requested that they go online to www.fairwaymgmt.com to read the CC&Rs in their entirety. My (our) tenant(s) have been informed that they must comply with all the rules of the Association just as any owner does. It is understood that FL Statute 720.3085 allows the HLDA to collect any overdue assessment directly from the tenant(s) and I (we) have informed the tenants as such.
