

Tilt and Wilt is the sixth release by the American rock band **Lonnieclaire**

Background: Discordant and emotionally charged, "*Tilt and Wilt*" offers a little bit of something for everyone. "Nothing compares to the thrill of creating something that not only resonates with your audience" said the band. "But also challenges them and pushes the limits of what they thought was possible." Featuring a tasty cocktail of garage rock, lo-fi and Americana, Lonnieclaire's sixth LP is an unfiltered love letter to its passionate fanbase. Get ready to rock out!

All songs written, recorded and produced by **Lonnieclaire**

- Pray that it Rains (3:53)
- **Lie to Get High (2:40) Bandcamp Bonus**

New York City-based Lonnieclaire is an independent rock band best known as an expressive style of lo-fi / garage rock with a history going back nearly 20 years. Their sound could be interpreted as a collision of Grunge and Roots Rock, or in other words: "Garage Americana." The band's songs are organically written and combine clever lyrics with moody vocals, hot-blooded guitars and aggressive drums.
