# INVITATIONS

## Act as a Tour Guide

### Product Invitations

During this process you will act as a “Tour Guide.” You are the messenger, not the message. What this means is you’re going to direct people to TOOLS (such as videos and webinars) that tell the story for you. You don’t need to be an expert in biohacking, PEMMA, or any of the science behind our great products. Just invite your product prospects to watch a 3-minute video (LINK). Pick your favorite compliant text message or create your own ... then send them out to your 20 Product Prospects.

#### Option A

I’m sure you’re going to watch a few videos on YouTube, Instagram or TikTok today. Please do me a favor and put this little 3-minute video into your rotation (LINK). I just started using these devices and the results are AMAZING! Text me back after you watch the video I and I can tell you more.

#### Option B

Start with your 2 or 3 sentence product success story such as: “Remember I told you about my lower back issues? It’s crazy but I’m back to normal!” (Then add) Here is a 3-minute video (LINK). Text me back after you watch it and I can tell you more.

#### Option C

I just started using this new technology that is amazing! It comes from Europe and it’s only been in the US for a few years. It’s not a pill, lotion, or potion. Here is a 3-minute video (LINK). Text me back after you watch it and I can tell you more.

**This is the LINK to the new video:**

<https://player.vimeo.com/video/951407926>

### Business Invitations

Just pick your favorite compliant text message from these options or create your own ... then send them out to your 20 Business Prospects.

#### Option A

There’s a new docuseries (the largest ever made!) that will be on Amazon and Netflix in the next few months. It features an AMAZING new wellness device that I am promoting. The timing is perfect ... and I think there is really big upside with this. Text me back and I’ll tell you more.

#### Option B

I’m going to shoot straight with you. I just started a new business and I’d love you to be a part of it. I thought of you because (reason you like this person ... you’re so smart, you have so many great business contacts, you are so successful, you are so knowledgeable about health and wellness).

#### Option C

I just partnered with an innovative company that creates biohacking solutions. I know you’re into health and wellness ... well, this is the next big thing! There’s a new movie that will be on Netflix – and I have a way for us to create legacy income by promoting the product that’s featured. Text me back and I’ll tell you more.

*Talking to prospects is a “sorting and sifting” process. You are looking for people who are interested in specific health benefits, interested in earning more money, or just interested in learning more about what we have to offer. Ask them what they liked best about the video. If they show any interest, offer them a free KLOUD+ session or invite them to a product/business presentation.*

Step 3

# PRESENTATIONS

## Direct prospects to info

### Product Demonstrations

For anyone who lives near you, a product demonstration may be the most effective “presentation” you can offer. If desired you can purchase additional product and create “Rental Income.” The opportunity to experience a few sessions will show the simplicity and versatility of KLOUD+. And once they understand the long-term benefits, they will want to dig into the details.

**DO**

- Make sure they read and sign the “Disclaimer and Liability Release.”
- Point out how easy it is to use KLOUD+ and that there are no known side effects.
- Discuss the 5 program options and help them choose the best one.
- Explain the benefits that you have enjoyed and manage their expectations.
- Schedule additional sessions and always ask for referrals. (Who else do you know ...?)
- Send them away with a business card, a brochure and follow up.

**DON'T**

- Talk during their session, allow them to relax.
- Arrive with your device out of battery! (Keep it charged and keep it clean. Order a cover for demos.)
- Look for immediate reactions or results – this is a systemic and individual experience.
- Promise to fix any medical issues. (Refer to the disclaimer and user manual. Encourage them to check with a health professional if they are pregnant or use a pacemaker or any medical pumps.)

### Product Presentations

For anyone who doesn't live near you ...

- CENTROPIX offers 24/7 presentations through recorded Zoom events.
- CENTROPIX also offers a live online presentation on Tuesday nights as well as a Saturday presentation via zoom. (Check your Back Office for the current schedule)
- Every Director has a set of presentation slides and you can arrange a one-on-one for your medical professionals or a prospect with a lot of questions.
- CENTROPIX offers live in-person events several times a year featuring the company's Founders.

### Business Presentations

For all of your business prospects ...  
CENTROPIX offer 24/7 presentations through recorded Zoom events.

**The fortune is in the follow-up!**

*After trying KLOUD+ or watching a webinar, ask your prospect what he/she liked the most. Also ask them if they have any questions or need more information on a specific subject.*

*Most people will still need more information before buying or enrolling. They might want to learn more about the science behind Pulsed Electro Magnetic Activation. They might want to hear more success stories. They might want to get more details about the Compensation Plan. You DON'T need to know any of this. (Really, you don't!) You just need to know where the tools are that provide these details ... and they are all in **info.CENTROPIX.com**.*

*Send your prospect there and follow-up again in another day or two.  
“What did you like the most on the info site?”*

Step 4

# ENROLLMENTS

## Ask them to Get Started

At this point, your prospect should have the information necessary to make a decision. But, sometimes “information” isn’t enough. They might want to talk with someone who is having success in the business or on the products. This is when you introduce your prospect to your upline expert.

### 3-Way Calls (or 3-Way Chats)

Your upline expert is paid to help you. Literally. Our Compensation Plan rewards your upline for helping you, so put them to work!

#### DO

- Reach out to your upline in advance so they are expecting your call.
- Set up a 3-way text string or DM string to start the ball rolling before the call.
- Edify (compliment) your prospect and your upline.
- Be quiet and let your upline lead the conversation.
- Share your commitment to support your prospect with the products and the business.

#### DON'T

- Interrupt your prospect or your upline expert, just be an active listener.
- Over-complicate the science or the business.

*The cave you fear to enter holds the treasure you seek.*

### BUY!

Your website is [CENTROPIX.us/your\\_URL](https://CENTROPIX.us/your_URL). Make sure you know your website address, since your prospects can’t order or enroll on the company’s website (CENTROPIX.us). The products are under the SHOP button.

Familiarize yourself with the options and the prices. Once your prospect is ready to purchase, you may want to do a Zoom meeting and share your screen to walk them through the purchasing process.

### JOIN!

Enrolling as an Affiliate also occurs on the [CENTROPIX.us/your\\_url](https://CENTROPIX.us/your_url) website. Click on the CAREER link and then the GET STARTED button.

An Affiliate Membership of \$149 will automatically be added to the cart. Make sure that your prospect sees your name and contact information at the top of the website so he/she enrolls directly onto your team. Again, screen sharing can be helpful.

After they load the Membership into the cart they can choose to continue with a product purchase or without a purchase. If someone enrolls as an Affiliate without a product purchase they are considered a “Trainee” and will not be paid on their first product sale. (See the next page for more details.)

# GET 4 FAST!

In most careers it will take 6 months to 2 years to earn your first pay raise. At CENTROPIX, we want to help you earn your first commission check AND give you a pay raise AND give you a special bonus all within your first 60 days!

## Commission Qualification

Once you have bought or sold a minimum of 300 points you are qualified to earn commissions and you will become a Brand Partner. You can earn 15% on your sales and 6% on sales from your Tier 1 Affiliates. These commissions depend upon your "Product Qualification".

**YOU**  
15 %

**TIER 1**  
6 %

### Product Qualification for Commissions

To qualify for commissions on the sale of each of the CENTROPIX products (KLOUD+, BUBBLE+, or COCOON+) you can either purchase the respective product for yourself, sell it to a customer, or sell it to a new Affiliate. After that first transaction is made you are then "Product/Commission Qualified" for that product line and will earn income on every product sale you make in that category. (Example: You purchase or sell a KLOUD+ - you will earn commissions on every KLOUD+ purchase.) If you have not purchased or sold that particular product, then you are not considered "Commission Qualified" and only after that first transaction is made, will you earn future commissions on that product line.

## Executive

When you create a total of 4,000 personal sales points in CENTROPIX, you advance to the rank of Executive. You can accumulate these points either through personal purchases (only after the initial qualifying purchase), sales to a customer or to your existing Trainees or new Affiliates. You will get a pay increase on your personal sales from 15% to 20%. You will also start earning 3% on the sales from your Tier 2 Affiliates.

**YOU**

PAY RAISE!

**TIER 1**

**TIER 2**

NEW PAY LEVEL!

## Trailblazer

If you create a total of 4,000 points in your first 60 days, you earn the special title of "Trailblazer" and receive a FREE KLOUD+ for your efforts! Just like riding a bicycle, it's easier to go fast than it is to go slow. The more prospects you have ... the faster you begin inviting ... and the faster you walk people through the PIPEline process, the easier it will be for you to achieve your goals. Sell to a customer, a new Affiliate, or purchase for yourself. (After the initial qualifying purchase or sale.)
