PRESIDENTS' AND EXECUTIVE DIRECTOR'S MESSAGE

Dear Hillsborough Community,

Charity begins at home. By that, we mean living in a spirit of giving—not always in grand gestures, but in meaningful, everyday ways. A kind word to your server. A generous tip for your gardener. A heartfelt thank you to the friend who gives you a ride to the airport. There's no better place to give than in your own backyard, and so many in our community have embraced that spirit—offering time, energy, and heart to the local organizations that make this community thrive. *That's exactly what the Hillsborough Schools Foundation has stood for over the past 45 years: a tradition of generosity, rooted in home.*

Many of us are here because of our school district, because we grew up here, or because we love tree-lined streets (albeit with no sidewalks). The Hillsborough City School District is one of the most important parts of our community—the thread that connects us all together.

Giving is always the right answer. It lifts others, and it lifts us too. In that same spirit, giving isn't just good for our community—it's good for the soul. It never wears out, never runs dry, and never takes away. When we give to our schools, we're doing more than funding programs; we're strengthening the very fabric of what makes Hillsborough a special place.

Gratitude fills us when we reflect on how this community comes together to celebrate and support our schools. Gratitude for the simple luck of living here—of all places in the world. Gratitude for the way we show up for one another and for creating a place where children grow up surrounded by care, opportunity, and connection. And above all, gratitude for the spirit of generosity that defines Hillsborough and shapes who we are.

Thank you to every single person who makes HSF possible.

Thank you to the parents who give their time and energy to our district.

Thank you to our incredible volunteers—over 200 strong—who help raise vital funds and bring our events to life each year.

Thank you to the donors who invested in our schools, whether your gift was \$250 or \$25,000.

Thank you to the families and committee members who opened their homes and cleared their calendars to host gatherings.

And **thank you** to everyone who joined us at the Classic, the Dinner Dance, and the Fun Run—transforming simple fundraisers into joyful celebrations of community.

The true measure of our success isn't found in the pages of this Annual Report—it's found in the connections we build, the spirit we nurture, and the legacy we create for the next generation of Hillsborough families.

With deep appreciation for this remarkable community we call home,

Nisha Ahluwalia
2025-26 HSF President

We are proud to recognize the incredible generosity of our Scholars' Circle Families, who contribute \$10,000 and above. This year, more than 175 families joined the Scholars' Circle, collectively contributing over \$2 million to HSF—an extraordinary show of support.

In celebration of their impact, Scholars' Circle donors were honored at an exclusive event at Kohl Mansion in Burlingame. The evening featured an engaging conversation with San Mateo County Supervisor and former Congresswoman Jackie Speier, and New York Times bestselling author and Challenge Success co-founder Dr. Madeline Levine.

We also honored families contributing \$15,000 and above with a special Leadership Circle celebration at the historic Bing Crosby Estate. This year, Leadership Circle membership grew by 10%, bringing together 75 generous families who are truly leading the way in strengthening our schools and community. We are deeply grateful to all our Scholars' Circle and Leadership Circle families for their inspiring commitment and support.

Hetts Family Tribute

The Hillsborough Schools Foundation (HSF) was deeply saddened to learn of the passing of long-time Hillsborough residents Bill and Joyce Hetts in late 2024, just three days apart. Bill and Joyce were instrumental in the founding of HSF and remained active and engaged members of the Hillsborough community throughout their lives.

Bill Hetts was honored with the ERIC Award (Enthusiasm, Responsibility, Initiative, Commitment) by the Hillsborough Schools in 1987–1988 and later served on the Hillsborough City School District Citizens' Oversight Committee from 2003 to 2006. Joyce Hetts contributed significantly to local education through her service as a board member and president of the Parent Teacher Association, first in Hillsborough and later at San Mateo High School. In recognition of her many contributions, she was named Hillsborough Citizen of the Year in 1988.

Bill and Joyce met as students at Stanford University and raised their two children, Katharine C. Hetts and Dr. Steven W. Hetts, in Hillsborough. They were devoted grandparents to South School and Crocker Middle School alumnae Julia K. Hetts and Natalie S. Hetts.

In lieu of flowers, the Hetts family requested that donations be made to the Hillsborough Schools Foundation.

A heartfelt THANK YOU to our donors!

The HSF donor list recognizes individuals and businesses who donated to our 2024-2025 annual campaign as of June 30, 2025. We have made every effort to list each name correctly, and we apologize for any errors or omissions. Please email info@hsf.org or call the HSF office at 650-344-6685 with any questions or corrections.

Events

Above and below: We expanded the HSF Classic to a two-day event. Day one featured competitive racquet games, and day two debuted our inaugural golf tournament with 72 players, capped off with a lively cocktail reception at Green Hills Golf and Country Club

Below: Ana de Arce, Lisa Edwards, Sibylle Whittam, Bonnie Feldman, Kim Oliff. At the Community Coffee, local leaders came together to share heartfelt reflections on volunteerism, the power of our students, and the importance of connecting Hillsborough's past, present, and future
