

**TOGETHER,
WE ARE THE
DIFFERENCE**

Welcome New Families!

46
YEARS OF GIVING

Welcome to the Hillsborough School District family! We are so proud of our top-ranked public schools, brought to life every day by our extraordinary educators and staff. It's all made possible because our incredible community joins forces each year with the Hillsborough Schools Foundation (HSF) to invest directly in our children's education—and what a difference we make!

WHY DO WE NEED TO FUNDRAISE?

Since Prop 13 passed in 1978, our district has faced reduced funding

Our district faces an annual gap between public funding and how much it costs to educate our children

That gap—\$4M for this year, \$3,487 per student, is closed by our community

**But we've got
this—thanks to
750+ donors
every year.**

**This is where
we shine!**

Each year, our community donates, plans events, and volunteers to close our district's funding gap—that's pretty amazing! 🙌

Our collective contribution equates to 17 full-time teachers, and supports iLab materials and tools, dedicated librarians, music, hands-on STEM, teacher training, and so much more.

Our total grants are
the equivalent of

17

Full-time teachers

\$4M

—that's \$3,487 per student needed
for the 2026-2027 school year
