

**TOGETHER, WE ARE
THE DIFFERENCE**

45 Our amazing community comes together
every year to invest in our children's
education—and what a difference we make! 🎉
YEARS OF GIVING

*Did you know?
Our district is funded in two ways:*

90% is from public funding, mostly our
property taxes

10% is donated by incredible neighbors
like you—this year, that's \$4M of pure
community magic!

**Thanks to YOU,
and 700+ donors
who give every
year, this is
where we shine!**

**Each year, our community donates,
plans events, volunteers, and more to
close our district's funding gap—
that's pretty amazing! 🙌**

10%
FUNDED BY US

\$4M

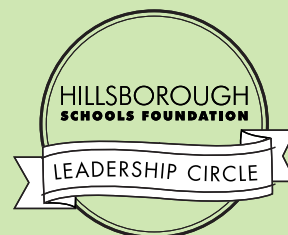

—that's \$3,358 per student needed
for the 2025-2026 school year

Your support—at any level—makes magic happen! 🌟
This isn't for extras. We're fulfilling a promise to our district
so our schools operate at the level our community expects.
Your support ensures we delivers on that promise.
