PRESIDENTS' MESSAGE

Dear *HSF* Families,

Wow, what an exceptional year! We are filled with tremendous gratitude as we look back on all we accomplished together this past year. Our community once again showed great dedication, resiliency and generosity as we came together to support educational excellence in Hillsborough City School District (HCSD).

Together, we set new records of giving while creating much needed opportunities for our community to gather together safely and joyfully. After a nearly three year pandemic-induced hiatus, we held all three of our signature events, which re-established community ties and welcomed those who joined our district during the pandemic pause.

Hillsborough Schools Foundation allocated \$3.4M to HCSD, raised the bar on the median we donate per family, and reached new heights with our incredible FUNd-a-Need, topping it off with another \$375,000 for outdoor play and communal areas for the students of HCSD. All of this was made possible thanks to the outstanding support of highly-engaged parents, devoted teachers and staff and invested community members partnering together.

This incredible generosity of spirit is not new, we are a part of a school district with a longstanding tradition of giving back to the community while paying it forward. We appreciate your continued support of our public schools and future generations through *HSF*. We are all in this together, and your support builds an HCSD where our children can continue to thrive.

So again, thank you for your part in an incredible year of supporting excellence in education within HCSD.

With sincere gratitude,

Breigh McCall
2021-22 *HSF* President

COMMUNITY FUN WITH HSF

What a year to celebrate! We are grateful for all the parents, families and individuals who brought their community spirit and supported our schools by participating in the Hillsborough Classic, Dinner Dance and Fun Run! We sincerely thank the amazing chairs of these events for their hard work and commitment to HSF.

Hillsborough Classic Chairs

“ I give because of the excellent support from the specialists. When my child was struggling with learning differences, our resource teacher was there from the beginning. He is an incredible, steady advocate for our child, and has taught our child to self-advocate! ”

Hillsborough Classic

“ The number one reason our family gives to HSF is to help support the incredible life-long committed teachers and educators who are devoted to giving our students a world-class education equivalent to the top private schools in the area. Supporting HSF ensures we bridge the funding gap between what we receive from state and local resources and what our district actually needs to continue to recruit and retain the highest quality staff. My kids adore their teachers, so it is in their honor that we donate! ”

Donors

We thank you, our generous donors, for your continued support of excellence in public education

Scholars' Circle Families contribute \$10,000 and above, providing more than 50% of the funds raised by HSF. In recognition of their generous support in 2022, Scholars' Circle donors were honored with a private event featuring author, speaker and founder of PrepMatters, Inc., Ned Johnson, who spoke on the topic of how fostering children's autonomy can help solve two challenges endemic to kids today: anxiety and developing intrinsic motivation.
