TERRA GALLERY

# A LETTER FROM THE CHAIRS

After a highly anticipated and successful dinner dance last year, we are honored to once again welcome you to the *Hillsborough Schools Foundation's* Annual Dinner Dance Gala - Light Up the Night!

Thank you for joining us tonight at the beautiful Terra Gallery. This event provides a much-needed opportunity for our community to come together and celebrate our award-winning schools. We are so fortunate to have such amazing public schools, made great by hardworking, talented teachers and staff, and a supportive and generous parent community. It is this parent community we would like to give special appreciation to this evening. Your time, energy and generosity help make our schools what they are and for this we could not be more grateful!

Tonight, we are thrilled to celebrate our schools, our children and you. So please, raise your glasses (and soon your paddles) and toast our schools and your role in making them outstanding. Then, get ready for an exciting live auction, which includes several once-in-a-lifetime experiences you won't want to miss. After winning your dream package, keep your paddle high for this year's exciting and timely Fund-A-Need!

We would like to express our sincere gratitude to all of our donors, sponsors, committee members and the *HSF* staff who have worked tirelessly to make this evening a success. A huge shout out to a dad within our committee, Jason Ting, who has gone above and beyond to elevate tonight's event. He helped with all aspects of the event from planning, donation, sponsorship and obtaining once-in-a-lifetime experiences for our live auction. Tonight is a true collaboration of talent and hard work, all within our community and for the betterment of our children.

Thank You!

We hope you all enjoy this evening's celebration among friends at this fun and fabulous Light Up the Night gala! Get ready to eat, drink and bid (HIGH & OFTEN)! After dinner, follow the sound of the music and dance the night away! See you on the dance floor!

# FUND A NEED 2023 LEVEL UP THE ARTS

We're thrilled to announce **HSF's 2022-2023 Fund-a-Need is Level Up The Arts!**

To give our students the tools they need to be inventors, designers and big picture thinkers, we must combine academics along with creative arts, facilitating improved decision making, risk-taking and ingenuity.

With your support, this is exactly what we'll do!

### Artist-in-Residence at our Elementary Schools

The funds raised will support the salary of an art educator during the 2023-2024 school year at North, South and West. The Artist-in-Residence will give our students frequent exposure to a dedicated art educator and an enhanced Art-in-Action experience.

### Enhancement of Electives at Crocker Middle School

At Crocker, funding will go towards the enhancement of our existing electives focused on the arts: Culinary Arts, Communication Arts, Music, Maker Space and more!! We're excited to take these programs to the NEXT LEVEL through this additional funding.

Get ready to fund this beautiful addition to our excellent schools!
