

Dear Families,

Hillsborough public schools consistently rank among the very best in California despite the state's low ranking for public school funding nationwide. This remarkable achievement is largely due to the unwavering support of the **Hillsborough Schools Foundation (HSF)** and our incredible community, which have united for over forty years to bridge the funding gap to ensure our children receive a top-tier education.

Why Your Support Matters:

A green pushpin is shown holding a white piece of paper. The paper contains text about the Hillsborough Schools Foundation and a list of reasons why family support matters. The background is a light green gradient with a darker green circular shape behind the paper.

Our schools rely on the generosity of families like yours to maintain the Excellence of a Hillsborough Education, which includes:

- **Exceptional teachers and staff** who inspire and guide our children every day.
- **Distinction in math and reading** that prepares students for future success.
- **Small class sizes** that foster personalized learning experiences.
- **Dedicated counselors and specialists** who support students' well-being.
- **1:1 devices** for all students, ensuring equitable access to technology.

Your Contribution Makes a Difference:

Each donation profoundly impacts our students' lives, increasing their engagement and improving their test scores.

This year, we need to raise **\$3.7 million** to sustain these essential programs and resources.

HERE'S HOW YOU CAN HELP:

Join the NEW Leadership Level
with a leadership contribution of \$15,000 or more per family.

Join the Scholars' Circle
with a contribution of \$10,000 or more per family.

Donate at ACE

Donate \$3,100 or more per child to help cover the **A**dditional **C**ost of **E**ducation. **ACE** donors bridge the gap between state/local funding and the actual cost per student. Or contribute any amount meaningful to your family, including stock gifts or through donor-advised funds.

Our goal is 100% participation.

THANK YOU for your essential support of our schools. Together, we can continue to provide our children with the best possible education.
