

TOGETHER, WE ARE THE DIFFERENCE

Welcome New Families!

Welcome to the Hillsborough school district! We're so proud that our public schools consistently rank among the very best, thanks to our incredible teachers, administrators, and staff.

45

YEARS OF GIVING

It's also because our amazing community comes together *every year* with the Hillsborough Schools Foundation (HSF) to invest in our children's education—and what a difference we make! 🎉

WHY DO WE NEED TO FUNDRAISE?

Since Prop 13, our district's public funding was dramatically reduced. The result?

Public funding only covers 90% of our school district's budget.

10% is donated by our community—that's \$4M for the 2025-2026 school year.

**But we've got
this—thanks to
700+ donors
every year.**

**This is where
we shine!**

Each year, our community donates, plans events, and volunteers to close our district's funding gap—that's pretty amazing! 🙌

Our support powers iLabs, literacy with dedicated librarians, music, teacher professional development, and so much more.

Your donation—at any level—makes magic happen! 🌟

This isn't for extras. We're fulfilling a promise to our district so our schools operate at the level our community expects.

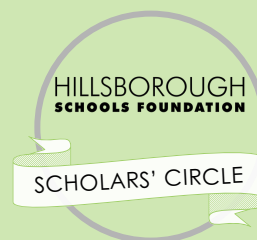

Your support ensures we deliver on that promise.
