

Sutton Coldfield Recreational Trust Summer 2026 Newsletter

Welcome to our Summer newsletter.

WELL, WE'VE HAD A BUSY SUMMER AND WE ARE NOW PLANNING FOR THE AUTUMN, SEE BLEOW FOR WHAT WEVE GOT PLANNED.

We now offer social membership too for £5, available at the bar, this entitles you to drink in the club but not to discounts off bookings, which requires a full membership of £30, which can be done at the bar or when you make a booking.

From September our bar will be open Tuesday, Wednesday and Thursday evenings, most Saturday afternoons (rugby dependant), Sunday mornings, and some Sunday afternoons (rugby dependant)

Don't forget we have rooms to hire for meetings, training and seminars, in the day and in the evenings. Also for parties of course!

The dry weather has dried out all our pitches and the site is dusty and brown, we will need to manage the site carefully as and when the grass starts growing again, please bear with us

Thinking differently about dementia

Are you, or a loved one living with dementia?

Our specialist dementia day care services can help.

Just because someone has a diagnosis of dementia it doesn't mean they should stop living, laughing and having fun.

At The Rainbow Care Group we get to know you as an individual, encouraging anything that brings feelings of happiness and well-being.

We offer:

- Full specialist day care provision.
- Exciting and enriching experiences.
- A unique and refreshing approach.
- Promoting dignity in dementia, enabling independence and choice.

We are changing the way Dementia Care is delivered

Our day clubs are delivered in a safe environment with full care and support for those who need it. We offer an amazing alternative to traditional residential based care, as we run in community settings, so for those who attend it feels more like a club.

- All of our day clubs run from 10-4 in community locations
- We provide refreshments and snacks throughout the day and a light lunch
- The day is an opportunity for much needed respite for carers.

PLANS FOR SITE

Discussions are still ongoing with Birmingham City Council about the development of the land off Signal Hayes Road, things have been slow as we wait for the council to transfer the land and do their surveys.

We have had talks with local schools, clubs and organisations to partner with on the project and will be looking to set up a steering group to help direct the design and development of the site once we can start discussing the detail with the council

We are still happy to talk to any other groups who might be interested in partnering with us or taking space in the community hall, or wider site to provide activities for the local community.

WORKS ON SITE

- **Outside Area Improvements**

The speed bumps have had another coat of paint, we've been doing some general tidying and slab replacement.

We are looking at options to provide a small play area at the rear of the club, any ideas, thoughts or contributions to this would be very welcome.

Advertising hoarding at the site entrance, these are now almost full, to advertise here contact secretary@sc-rt.co.uk
