Third Annual Activity Report - Financial Year 2023-24:

Introduction:

ICON Charities was formally registered as an irrevocable non-profit Charitable Trust on July 7, 2021, in Kottayam, India. The preamble of its Trust Deed elucidates its primary objectives: to uplift the less fortunate in society by empowering them with necessary resources, focussing on the higher education of children. It seeks to identify and financially support worthy causes and deserving individuals irrespective of race, religion, caste, or sex.

Leveraging the power of networking among likeminded well-wishers, the organization endeavours to empower and uplift individuals and communities in need. Generous individuals, empathetic to the disadvantaged, serve as the driving force behind this humanitarian program, sharing their resources to aid the needy. Operating solely through volunteers, without paid staff or a formal office setup, the organization's primary focus lies in supporting the impoverished mainly in Kerala. This assistance encompasses education, basic shelter, and aid during unexpected personal situations including natural calamities.

ICON Charities Partners include its trustees, volunteers, donors, well-wishers and advisors, who contribute resources and time to its projects. Serving as a platform where the values and aspirations of caring members translate into tangible benefits for the underprivileged, **ICON Charities** fosters acts of benevolence and kindness among its members and volunteers. It empowers ordinary community members to become philanthropists by providing a framework to invest their time, talent, and money for the betterment of society. Promoting volunteerism, it exemplifies the joy of giving back to society, viewing it as the noblest of civic duties.

4. Way forward:

Considering the transparency maintained as well as the negligible overhead, many of our well-wishers living aboard are willing to support. They all believe that it's their maiden duty to give back to the parent society from where they received all blessings, especially in the field of education for the less privileged smart children in our vicinity. In order to fulfil their dreams effectively, there is a plan to apply for FCRA approval from Govt. of India to accept FE contributions after following all guidelines in this regard. Considering that the key functionaries of the Trust are well experienced professionals who do voluntary service for ICON Charities, many in their network are inspired/motivated to support for our projects.

5. Co-operation with other NGOs/Organizations:

Efforts are made to co-operate with other like-minded and professionally run NGOs etc to build synergy for ICON's social projects. Hon. Chairman and Hon. Secretary were authorized to take further steps in this direction by the Board of Trustees. For the "ICON Excellence Award" program, support from a local NGO, "Snehadeepam Charitable Trust" is already available for the last three years to identify and shortlist the most deserving students in this regard. Thankfully acknowledge

the services rendered in this regard by SDCT, especially its General Secretary Mr. Jayachandran Nair.

Working relationship also established with the social service arm of CET Alumni, especially its educational project HOPE, where they support and empower students from less privileged segments

of the society from 8th standard onwards. ICON Aishwarya Homes No. 4 and 5 were completed using this collaboration. Their support is thankfully acknowledged.

6. Appointment of Auditor: As approved by the Board of Trustees, M/s Saju and Jose, Kottayam was appointed as the auditors of the Trust for the Financial Year 2023-24 and we thankfully acknowledge their dedicated professional services.
