Annual Report 2021-22

Introduction:

ICON Charities was registered as an irrevocable non-profit Charitable Trust on 07 July 2021. Formal registration of the Trust was a dream come true for all the Trustees as well as the Well - wishers of ICON.

The preamble of the Trust Deed is reproduced below to make the primary objectives of the Trust clear:

"The objective of the non- profit organization named ICON Charities (also known as ICON) is to uplift the less fortunate in our society by empowering them with the necessary resources to succeed. It aims to identify and financially support worthy causes and deserving individuals regardless of race, religion, caste, or sex. By using the power of networking among well-wishers living across the globe, the organization will raise resources to empower and uplift deserving individuals and communities. Generous people who are empathetic to the disadvantaged will be the driving force of this humanitarian program. They will use this opportunity to help the justly identified needy persons or communities to help themselves by sharing their valuable God-given resources. The organization aims to offer meaningful and timely help at zero or negligible overhead cost".

ICON Charities is a mission driven volunteer organization whose main goal is to aid the poorest of the poor to come out of the grips of generations of poverty and destitution by providing financial assistance for their education, shelter and humanitarian needs, by making use of freely available technology, and community relationships.

The organization is managed entirely by volunteers, with no paid staff or office locations. Though the operational focus areas are dictated by the interest of ICON group members, the primary areas of operation of the organization are in supporting the needs of the poor, primarily residing in Kerala who are seeking assistance to meet the costs of education, finding basic shelter, and or other human needs arising from unexpected natural calamities etc.

ICON Charities "Partners"

ICON members, volunteers, voluntary board members, donors, and advisors are generally termed as ICON Charities "partners". The partners are those who willingly spare their resources for the projects supported by ICON Charities.

ICON Charities functions as a platform where values and aspirations of its caring and compassionate members are translated into tangible benefits for the poor and the needy in our society. It promotes simple acts of benevolence and random acts of kindness by its members and volunteers. ICON Charities enables an ordinary member of the community to become a philanthropist by providing a framework to invest one's time, talent, and money for the betterment of the community. It promotes volunteerism and demonstrates the joy of giving back to the society, as the noblest of civic duties we need to be engaged in.
