Our Tax Fees

Our flat fee tax preparation starts with a federal package that includes the most filed forms. We then charge extra fees for add-ons and extra filings. This way, you only pay for what you need. See below for the Federal / State Packages starting pricing and add-on items.

Starting at:

Simple

Based on qualifying income and deductions.

- W-2 employees & unemployment
- Students, more

\$150.00

+ Add-ons

Protection Plus is included with a filed return.

Starting at:

Deluxe

Everything in Simple plus:

- Homeowner deductions
- Childcare expenses
- Health Savings Account

\$290.00

+ Add-ons

Protection Plus is included with a filed return.

Starting at:

Premier

Everything in Deluxe plus:

- Sale of investments/crypto
- Sale of home
- Itemized deductions

\$330.00

+ Add-ons

Protection Plus is included with a filed return.

Starting at:

Self-Employed

Everything in Premier plus:

- Freelance or side gig income
- Sole Proprietor or LLC
- Rental property Income

\$370.00

+ Add-ons

Protection Plus is included with a filed return.

Add-ons:

- Additional State(each) **\$35**
- Electronic Refund Transfer **\$44.95 + \$14** subsequent deposit fee

Copies:

- emailed (per return) **\$15**
- mailed (per return) **\$30**
- pick up (per return) **\$25**

Additional Fees:

Amended Tax Return 1040-X: **\$45** Federal, **\$40** State with an already filed return with us.

A **\$30.00** deposit is required (non-refundable if do not file) with **\$1.21** card service fee at the time we begin preparation of your tax return. The remaining balance is due before we can e-file your return. Fees are based upon a combination of our standard rate schedule for the forms required to be filed, the time incurred to prepare an accurate and complete return, and relevant tax issues associated with your return plus any out-of-pocket expenses.
